PRODUCT INTRODUCTION

All products contain the probiotic *equizyme*™.

Medallion™ Joint Xtreme is the product combination that has proven especially effective for performance and older horses. It is a balanced blend of our Joint Elite with Phyto Pro, Sodium Hyaluronate and Equizyme. This new combination formula supports the joints, the soft tissues surrounding the joints and provides high levels of antioxidants, anti inflammatory elements to meet the demands of training and competition. It also aids older horses that have chronic joint and health issues.
